MOBILE DEVELOPER

PROFESSIONAL EXPERIENCE

Flutter Developer - PoluxApps - **October 2023 - November 2024**

- Converted client ideas into fully functional mobile applications for Android and iOS devices using **Flutter**.
- Collaborated with a team of 4 **UI/UX designers** to create a user-friendly, appealing interface for children aged **8 to 16**.
- Used **Flutter, Node.js, SQL, AWS, and Firebase** for app development and deployment.
- Followed **Agile methodology** and participated in sprint planning and daily stand-ups.
- Published the application on the **Google Play Store** and **Apple App Store**, ensuring compliance with platform guidelines.

Front-End Developer - Kinpos Corporation - **March 2020 - October 2023**

- Worked in an Agile Scrum environment with 4 project managers and 6+ developers, using **Azure** and **Jira**.
- Developed a fully hybrid application from scratch using **Flutter** and **Dart** for international payment terminals.
- Collaborated with stakeholders (primarily banks) to incorporate feedback and resolve bugs.
- Maintained existing Android apps using **Java** and **Kotlin** and improved app performance.

  Achievements

  - Achieved a **66% time savings** in update tasks by implementing a unified base application, migrating 7 individual apps into a single base solution that allowed changes to be made once and applied across all clients.
  - Trained and mentored team members in **Flutter** development during the migration.
  - Increased overall productivity by consolidating client-specific updates into one codebase.

EDUCATION

- Udemy/coursera, Flutter, Kotlin, Swift, CI/CD, among others - **August 2016 - Today**
- CAE Cambridge Course, Greenwich College, **December 2024**
- Bachelor's Degree in Systems and Computer Engineering. University of Los Andes, Colombia - **August 2016 - March 2021**
